

## Professional Practice Gap and Educational Need Worksheet

Please use the table below, starting from the left column, to complete the section and the selected CME Application questions.

The learning objectives should map to the identified gap and educational need.

<i><b>RSS Title</b></i>	<i><b>Professional Practice Gap (Question #4)</b></i>	<i><b>Educational Need (Question #5)</b></i>	<i><b>Learning Objectives</b></i>	<i><b>Designed to Change (Question #6)</b></i>
EXAMPLE: Gastroenterology Grand Rounds	The inability to adequately recognize the differences in gastrointestinal disease manifestations and therapies between the genders.	<input checked="" type="checkbox"/> Knowledge <input checked="" type="checkbox"/> Competence <input type="checkbox"/> Performance <input type="checkbox"/> Patient Outcomes	1. Identify how to appropriately treat women with diverse gastrointestinal and liver disease.  2. Identify how to appropriately treat men with diverse gastrointestinal and liver disease.	<input checked="" type="checkbox"/> Competence <input checked="" type="checkbox"/> Performance <input type="checkbox"/> Patient Outcomes
