CME Needs Assessment Survey

Complete by August 3, 2015 to be Eligible for VISA Gift Card Drawing

In order for the CME Department to offer effective activities that meet your educational needs, please complete the CME Needs Assessment Survey. We appreciate your response by August 3, 2015.

Enter your name at the end of the survey to be eligible for a VISA gift card drawing.

You may access the Needs Assessment Survey by any of the following methods:

- ✓ Direct access through the following address:
<https://www.surveymonkey.com/r/KB3F7FZ>
- ✓ On any computer in the Hurley Physician's Lounge (except iSITE), look for the "CME Needs Assessment 2015" icon on the desktop screen
- ✓ Visit the Hurley INTRANET Homepage (on any computer at Hurley), under Frequently Used Links, click on "CME Needs Assessment Survey".
- ✓ Snap the QR Code below:

(If you do not have a QR code reader on your cell phone, go the app store and search "QR Reader".)

- ✓ Visit the Hurley website at: www.hurleymc.com > Education & Research > Continuing Medical Education > "Please take our CME Needs Assessment"
 - ✓ Paper versions are located in the Hurley Physician's Lounge, along with a drop box.
- If you have any questions, please contact the CME Department at 810.262.9142.

Congratulations!

The Complex Care Clinic at Hurley Medical Center and Dr. Michael Jaggi received the 2015 Innovations in Health Care Award in Lansing on May 20.

This is the clinic that treats patients that frequently use the ER and is in collaboration with Health Plus. Congratulations to **Dr. Jaggi** and the staff that serve the clinic.

2015 Reappointment Packets

Physicians & Allied Health in the following departments are required to reappointment during 2015:

Hurley in the News ...

May 13th - June 15th, 2015

NEW E-CIG STUDY

A new study by Central Michigan University suggests the use of E-cigarettes could lead to lung problems, just like tobacco can. ABC12 reached out to Hurley ER Physician, **Dr. James Weber**, for comment.

THIS ALLERGY SEASON A TOUGH ONE

Many of those who suffer from allergies say this season is particularly difficult for them. ABC12 reached out to Hurley for perspective. **Dr. Rao Botta** gave insight in an interview.

WOMAN SHARES STORY OF BARIATRIC SURGERY SUCCESS

An Ortonville area woman spoke to the Clarkston News about the Bariatric Surgery she had at Hurley. She shared how she was able to lose over 200 pounds with this surgery. The newspaper also interviewed John Stewart, BSN, MSA, Administrator, Emergent Services, Trauma, Bariatrics, & Hernia, about the services Hurley offers when it comes to weight loss surgery.

SKIN CANCER & KIDS

Dr. Dustin Miller, Pediatric Resident at Hurley Children's Hospital was featured on ABC12's Newsmaker program. Dr. Miller shared insight on Skin Cancer in Children and how parents can help prevent it.

HURLEY CHILDREN'S HOSPITAL TAKES SECOND PLACE IN BATTLE OF THE BRAVE CONTEST

Hurley Children's Hospital now has \$10,000 from the Dr. Pepper Snapple Group to help enhance the experience for pediatric patients thanks to your votes in this year's Battle of the Brave Contest, a national online contest hosted by Speedway. This year's Ambassador was 4 year old Kaidyn Lewis. Kaidyn was born 11 weeks early at Hurley Children's Hospital, weighing 1 pound, 5 ounces. He spent six weeks in the Neonatal Intensive Care Unit. He went home with no complications and is a very active, healthy 4 year old boy today! The top prize of \$20,000 went to St. Vincent Mercy Children's Hospital in Toledo, Ohio, and the \$5,000 3rd place prize went to Akron Children's Hospital in Akron, Ohio. All of the funds raised will be used for the 11th floor Hurley Pediatric Penthouse project, enabling all of Hurley's youngest pediatric patients to have private rooms. Thank you to all who voted! This story garnered a lot of media coverage, including coverage from the Flint Journal, ABC12 and NBC25.

TELETHON RAISES A RECORD BREAKING AMOUNT OF MONEY FOR HURLEY CHILDREN'S HOSPITAL

The 2015 Children's Miracle Network Hospitals Telethon, hosted by ABC12 on Sunday June 7th, raised a record breaking \$1,916,997. This year's total is \$785,437 more - or a 69% increase over last year's \$1,131,560 total. All of the money raised stays local, right here at Hurley. Thank you for all your generosity and for putting your money where the miracles are!

July Anniversaries

Hurley congratulates the following providers who reached milestone anniversaries during the month of July:

5 Years:

Service Line News

Hurley Rehabilitation Services – Crowne Pointe Endoscopy and Surgery Center

Hurley Rehab Services is pleased to announce the opening of our newest physical therapy clinic located within Crowne Point Endoscopy and Surgery Center on Hill Rd near US 23. We are happy to be extending our services to our employees and patients living in the Swartz Creek, Mundy Township, Fenton and Grand Blanc areas. Patients will enjoy expert clinical care and state of art equipment in a beautiful clinical setting. Patients who complete their therapy program will receive a FREE month membership to one of three area fitness locations so they can continue to maximize their rehab outcomes. Appointments for patients can be made by calling our central scheduling office at 810.262.2350.

Outpatient Area Construction to be Finished Soon

By: *Annette Napier, Senior Administrator for Ambulatory Services*

Outpatient complex construction is underway. Phase one is complete and includes a new waiting room for the clinic patients and expanded resident education/work area. Phase two has begun and will include a waiting room for all of outpatient services that check in to this area. There will be a greeter desk to help patients find their way around, registration for patients who need it for outpatient services and a new check in for Urgent Care and Outpatient Clinic. The Outpatient Lab has relocated to the outpatient complex area. A pharmacy and durable medical equipment will be coming soon. Parking is located near the entrance of the Outpatient Complex. The estimated completion date for phase two is first week in July.

Hurley Sleep Diagnostic Center Reaccredited

By: *Veena Erinijeri, Director Respiratory & Neurology Services*

Hurley Sleep Diagnostic Center has been reaccredited for a period of five (5) years by the American Association of Sleep Medicine (AASM). To obtain the accreditation Hurley Diagnostic Center had to prove that we are committed to providing excellent care and enhance the awareness of sleep as an important element for health, public safety and quality of life.

All the staff members and Supervisor, Wanda Baird worked very hard to make sure that we met all the requirements for the accreditation.

Clinical Documentation Tip of the Month

ICD-10 is here

ICD-10 is here!! We've all heard about the significant increase in number of diagnoses. Remember ICD-10 is all about specificity. The following is a brief overview of some of the major changes.

- Acuity (acute, chronic, acute on chronic, sub-acute, etc.)
- Laterality (left, right, bilateral, dominant, non-dominant, etc.)
- Linking
 - document the cause of disease/diagnosis/condition
 - “Due to,” “Secondary,” & “with”
- The word “and,” lists and commas do not link conditions
- POA Status
 - State whether present on admission or hospital acquired condition
 - Encounter (initial, subsequent, sequela)

We will be providing further education with increased specificity in future newsletters. For questions/ comments contact the clinical documentation improvement department at extensions: 26287, 26298, 26477, 22407, or 22408.

Physicians – You are the Patient’s Experience!

THE VOICE OF THE PATIENT

Thanks to...

... I'd like to thank the physician that cared for me, **Dr. Wilson** that noticed my hernia and everything and knew straight away to get into surgery, I can appreciate that. He was concerned with my health and got me the care that I needed and I could get better.

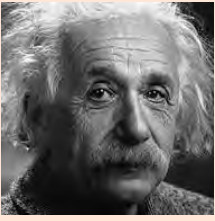

Dr. Wilson

... My comment is for **Dr. Asun** for being such a good listener and helping me understand everything I needed to understand with my special needs soon. Then his nurse, Leslie, she was great with my son XXX, the whole time.

... The doctor who treated me on the third [in **Emergency Department**], knew exactly what was wrong with me and treated me appropriately.

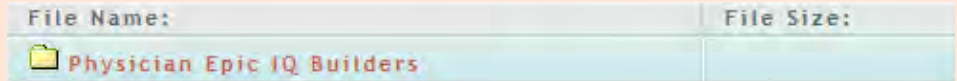

EPIC UPDATE

Are YOU
an
EPIC Genius?

INCREASE YOUR **EPIC** I.Q.

The very short tutorials below show some "tricks" for decreasing your documentation time and sharpening your skills:
